

e-mosty

The magazine **e-mosty** (“e-bridges”) is an international, interactive, peer-reviewed magazine about bridges.

It is published on www.e-mosty.cz and can be read free of charge (open access) with possibility to subscribe.

It is published quarterly: 20 March, 20 June, 20 September and 20 December.

The magazines stay **available on-line** on our website.

It is also possible to download them as **pdf**.

The magazine **brings original articles about bridges and bridge engineers** from around the world. Its electronic form enables publishing of high-quality photos, videos, drawings, links etc.

We aim to include **all important and technical information** and show the grace and beauty of the structures.

We are happy to provide **media support** for important bridge conferences, educational activities, charitable projects, books etc.

Editorial Plan

Our **Editorial Board** comprises bridge engineers and experts from the UK, US and Australia.

The readers are mainly bridge engineers, designers, constructors and managers of construction companies, university lecturers and students, or people who just love bridges.
